

VIII GOVERNO CONSTITUCIONAL

The 4G Institutional Reforms

Consolidating the State and achieving Good Governance

Trimestral GoTL & Development Partners Meeting,
Finance Ministry, 19th February 2021

<p>The 4G IR aimed at:</p> <ul style="list-style-type: none"> ✓ Promoting efficiency and effectiveness in all government actions ✓ Support the achievements of development goals and objectives ✓ Seek to bring public administration more closely and to better serve communities, citizens and businesses ✓ Promoting partnerships and synergies between the public, private and civil society sectors 	<p>The VIII Constitutional Government proposes in its Program:</p> <ul style="list-style-type: none"> ✓ Continue to implement ongoing policies and reforms ✓ Promote structural reforms to accelerate the necessary transformation in sectors that are not meeting the expectations of the population ✓ Reforming, correcting and improving the processes, systems and methodologies that hinder sustainable development, in a transversal way, so that all institutions are more effective, responsive and inclusive
<p>In line with</p> <ul style="list-style-type: none"> • The National Strategic Development Plan (2011-2030); • The Sustainable Development Goals (2015-2020); and • The VIII Constitutional Government's Programs 	

What are the 4G-IR?

 <p style="text-align: center;">Public Administrative Reforms</p> <p>Transforming public administration, focusing on central government. They improve service delivery processes, strengthen accountability and incentives for performance, improve human resource management and development, revise functions and structures of public administration, and improve the administrative services provided to businesses</p>	 <p style="text-align: center;">Decentralization reforms</p> <p>Strengthening local-level and municipality political accountability and good governance, transfer functions and responsibilities from Central Government to sub-national administrations, develop fiscal decentralization mechanisms and own-source revenue collection, and improve the management and administration of Municipalities</p>
 <p style="text-align: center;">Fiscal and Public Financial Management Reforms</p> <p>Fiscal and public financial management reforms will improve budgets, including their formulation, transparency and execution. They will ensure greater value for money in financial management and the delivery of services, will decentralize and improve procurement, asset and financial management, and will improve revenue mobilization and collection</p>	<p style="text-align: center;">Legal and Judiciary Reforms</p> <p>To strengthen the Judiciary and other institutions involved in the provision of justice and will review, harmonize and improve the legal framework under which the State operates</p>

Establishment of Commission for Coordination & Monitoring (CCARI)

- ✓ As these initiatives are implemented across the public sector and because they are interconnected and share a common objective, it is necessary to coordinate their development, implementation and monitoring at the highest level;
- ✓ A Coordinating Committee for the 4 Big Institutional Reforms (Coordinating Committee) was established in September 2020 by a Government Resolution.
- ✓ Chaired by the Prime Minister, assisted by the Minister of the Presidency of the Council of Ministers
- ✓ H.E. PM is no longer chair the sectoral Commissions since then.

Composition of the Coordinating Committee

The Coordinating Commission for the Big Five Reforms should act as a co-ordinating body for the different reforms described above under the presidency of the Prime Minister and should integrate the Ministers responsible for the implementation of each of these reforms.

Secretariat

A Secretariat of Support – Coordinating Committee will be provided by designated officials from the Office of the Prime Minister, UPMA and the PCM Administrative Reform Office (GRA).

Establishment of Commission for Coordination & Monitoring (CCARI)

Functions of the CCARI

- ✓ Establish the direction and overview of reforms or programs;
- ✓ Coordinate the consistent design, programming and implementation of reforms;
- ✓ Promote synergies and cooperation between reforms; remove obstacles and overlaps between reforms;
- ✓ Provide political support for reforms;
- ✓ Ensuring good performance and timely implementation of reforms

Operational requirements

- ✓ Each of the reform area will have an official strategy or program
- ✓ Those that do not have this yet must submit one, to be approved by a Resolution of the Council of Ministers, within three months
- ✓ 4G CCARI meets every 2 months

Any progress since then?
