MOSA	PNDS	USD 1,2 million	USD 11,8 million

State Budget allocation for SEM from 2014 to 2017 (CFTL+ HCDF)

Recommendation

- Ministry of Health needs to include budget for support to victims of Gender Based Violence (training for staff, Safe spaces in hospitals), and increase the budget for maternal and reproductive health.
- MSS needs to increase their budget for Bolsa de Mae to USD 15 million
- SEYS – needs to ensure greater participation of women in sports and especially in competition, where women currently are only 13% of the participants.
- MoD and MoI need to show their commitment to implement a strategy to increase the number of women in PNTL and FFDTL
- Increase the budget for agriculture, especially provide technical support for rural women.
- MoE need to ensure all children go to school, including pregnant girls and young mothers. They also need to include a counselling centre in each school.
- Use the good practice of gender mainstreaming of PNDS for all community based programming of the Government

Thank you!
