-----

The Council of Ministers also approved the draft Government Resolution, presented by the Minister of Finance, Minister of Finance, Santana José Rodrigues F. Viegas Cardoso, regarding the definition of the **composition of the Political Review Committee for the General State Budget for the year 2025.**

The Political Review Committee is responsible for verifying the strategic allocation of resources in budget submissions, with a view to achieving the commitments and objectives set out in the strategic documents and assessing the feasibility of plans for the 2025 financial year.

The Political Review Committee will be chaired by the Prime Minister and is also composed of the two Deputy Prime Ministers, the Minister of Finance, the Minister of Public Works and the Minister of Planning and Strategic Investment. The Secretary of State for Equality and Inclusion, the President of the Institute for the Defense of Children's Rights and a representative of the Association of Disabled People of Timor-Leste will also participate in the meetings of the Political Review Committee, as observers.

The Political Review Committee meetings will take place from August 12th to 27th, 2024, in the Auditorium of the Ministry of Finance.
