Press Release

State of Emergency

Measures relating to vocational education and training establishments

In view of the declaration of a state of emergency, a Government Decree listing the measures for implementing the declaration of the state of emergency was approved at the Meeting of the Council of Ministers on March 28, 2020.

The measures adopted aim to prevent COVID-19, contain the pandemic, save lives and ensure the subsistence of supply chains of essential goods and services for our population, even though they may limit some fundamental rights and freedoms. These measures are taken with respect for constitutional limits and following the guidelines of the World Health Organization and the example of other States.

The state of emergency is in force between 00:00 hours on March 28, 2020 and 23:59 hours on April 26, 2020 and applies to the entire national territory.

During the state of emergency, all school activities are suspended on a face-to-face basis and the facilities of educational, education and vocational training establishments are closed, and teachers and students are prohibited from staying in the premises. Distance learning should be promoted through the means of information and communication in this period. **ENDS**
