Determination of Extraordinary Vacations for all Schools across the country from 23 to 28 March 2020

Presidency of the Council of Ministers

Eighth Constitutional Government	
	Dili, March 22, 2020

Press Release

Determination of Extraordinary Vacations for all Schools across the country from 23 to 28 March 2020

Today, March 22, 2020, the Minister of Education, Youth and Sport, after coordinating with the Prime Minister's Office and the Ministry of Health, determined an Extraordinary Teaching Interruption for all public schools and private schools that are part of the public network (Catholic Schools and Foundations), between 23 and 28 March, through the Ministerial Order 9/GM-MEJD/III/2020.

This decision was taken on the basis of the powers of the Minister for Education, Youth and Sport in relation to the determination of the school calendar, in accordance with Article 5 of Decree-Law 3/2015 of 14 January and 4/2015 of 14 January.

The Ministry of Education, Youth and Sport is also developing distance learning-teaching mechanisms, which we hope can start to be implemented next week.

According to the recommendations of the Ministry of Health, I would like to emphasize that this SCHOOL BREAK in the week of March 23 to 28, IS NOT TO PLAY, BUT TO STAY AT HOME AND COMPLY with the hygiene standards that were published by MEJD in Order No. 3/2020, as well as the official rules of the Ministry of Health. Therefore, I ask for the understanding of all parents and guardians to BAN the movements of your children on the street.

The MEJD remains in close coordination with the Ministry of Health and the other relevant Ministries to ensure that the education system supports the safety and health of all.

I ask you to remain calm, to trust in God, and to be careful of your body. I ASK STUDENTS to REST a lot, eat well-cooked food, wash hands often and avoid walking hand in hand, kissing, asking/giving the blessing and other physical contacts. They shouldn't spit on the floor either. The most important thing is to relax and enjoy time with the family. Share family stories, plant a family garden, sing together, and enjoy and love each other within the family.

IF YOU FEEL DRY COUGH OR SNEEZING, WITH FEVER, PLEASE CONTACT CLINICS, HOSPITALS OR HEALTH PERSONNEL.

THE MEJD WILL REEVALUATE THIS INTERRUPTION, WHEN IT ENDS, AND WILL THEN INFORM PARENTS AND PARENTS.

Thank you very much and God bless us.

ENDS
